Important details about the performances...

All dancers will be supervised in the backstage area for the entire length of the show. If you have a dancer that is **ONLY** in the first half, or **ONLY** in the second half of the show, and you would like them to sit near you in a reserved seat for the other half of the show, then they must have a ticket.

Since the dancers will have waiting time in their assigned dressing rooms, it is recommended that they bring bottled water, snacks and something to occupy themselves while they are waiting.

All dancers will appear in the **Finale** at the close of the second half; and therefore need to be in their assigned dressing rooms at least four dances before the end of the show.

No photography of any kind will be allowed in the auditorium during the performances on Friday and Saturday.
